Up and running in 6 steps

Do these once, in this order, and your school is ready to teach today. Each step has its own page in the tour that follows. 

1

Make it yours

Upload your logo, pick a theme and colours so everyone sees your brand.

Branding

2

Set your price

Price per class and currency — payments and credits are calculated from it.

Class Pricing

3

Add your teachers

Name, email and rate per class. They get an invite email to set a password.

Teachers

4

Add your students

Managed students need no email or password — just name, age and level. Record their payment to add class credits.

Students

5

Match student ↔ teacher

Assign each student to their teacher.

Assign Students

6

Book the first class

Choose teacher, student and time — or a recurring weekly slot. Done! 

Bookings

 **Bonus step:** open  **Settings** at the bottom of the sidebar and set an **Analytics PIN**. Revenue and analytics then stay locked behind 4 digits — even if someone else is using your computer.

01

Overview

Sidebar > Home

✦ WHAT IT DOES

Your school at a glance the moment you log in: teachers, students, bookings and revenue, plus how your classes are doing (pending, accepted, completed, missed) and how much is owed to teachers.

👉 HOW TO USE IT

1. Log in — this is your landing page.
2. Tap the 👁️ eye icon to show or hide revenue (handy when someone is looking over your shoulder).
3. Hit **Refresh** for live numbers.

💡 Check it every morning with your coffee ☕ — 10 seconds and you know everything.

02

Analytics

Sidebar > Analytics

✦ WHAT IT DOES

The deeper numbers: active teachers and students, booking status distribution and a full revenue breakdown — paid to teachers, owed, and net.

👉 HOW TO USE IT

1. Open **Analytics** from the sidebar.
2. Read the booking distribution to spot missed or cancelled classes.
3. Protect it with a 4-digit **Analytics PIN** so only you see the money.

💡 Set the PIN on day one — staff can help run the school without seeing revenue. 🔒

✦ WHAT IT DOES

An activity log of everything your sub-admins do — classes marked, bookings made, messages sent — with unread markers and a date filter.

👉 HOW TO USE IT

1. Open **Notifications** (the badge shows how many are new).
2. Filter by date or tick “Unread only”.
3. Click an item to mark it as read.

💡 Perfect for trusting your team while still knowing what happened. 👁️

✦ WHAT IT DOES

Private chat with every teacher (and your sub-admins), plus **Ring** — a one-tap call that rings their phone or browser. Messages can be deleted within 30 minutes.

👉 HOW TO USE IT

1. Pick a conversation or press **+ New** to start one.
2. Use the filter pills to see only Teachers or Sub-admins.
3. Switch to **Ring** to call a teacher instantly.

💡 No more WhatsApp chaos — every school conversation lives in one place. 📱

✦ WHAT IT DOES

Invite helpers (a coordinator, a receptionist...) with scoped access: choose which teachers they manage and what they can do — mark lessons, view payments, send messages.

👉 HOW TO USE IT

1. Click **Invite Sub-Admin** and enter their email.
2. Pick their teachers (manually or by region).
3. Tick their permissions — you can change or suspend them any time.

💡 Grow your team without sharing your password. 🧑🔑

✦ WHAT IT DOES

Every teacher on one card: rate per class, lessons taught, earnings, region and status. Add, edit, disable or download a teacher's full record as PDF.

👉 HOW TO USE IT

1. Press **+ Add Teacher** and fill in name, email and rate.
2. The teacher receives an invite email to set their password.
3. Use **Mark all as paid** when you settle payouts.

💡 Teacher codes (TCH-...) make each teacher easy to find and verify. 🔍

07

Teacher Schedules

Sidebar > People

✦ WHAT IT DOES

See each teacher's working hours and bookings — and use **Find a free teacher** to search who is available on a date and time.

👉 HOW TO USE IT

1. Pick a date and a time window.
2. Optionally filter by continent.
3. Press **Find free teachers** — or open a teacher's full schedule.

💡 A parent asks “Anyone free Saturday 10am?” — answer in 5 seconds. ⚡

08

Students

Sidebar > People

✦ WHAT IT DOES

Your managed students: no login needed. Each card shows classes left, age, last payment and level, with a warning when a student needs a top-up.

👉 HOW TO USE IT

1. Press **+ Add Managed Student** (name, age, level — no email needed).
2. Record a payment to add class credits.
3. Watch the **Needs Top-up** counter and remind parents.

💡 Download any student's full record as a PDF for parent meetings. 📄

✨ WHAT IT DOES

Every class of the day, grouped by teacher, completed vs not completed — and emailed to you as a PDF every night after midnight. Teachers get their own copy too.

👉 HOW TO USE IT

1. Pick a day with the arrows or date picker.
2. Search by teacher or student.
3. Press **Download PDF** or **Email me**.

💡 Red/green markers show any class whose result was changed later. ■ ■

Group Classes

WHAT IT DOES

Run group sessions — story clubs, IELTS bootcamps, conversation cafés — with a level, seat limit and credits per seat.

HOW TO USE IT

1. Press **+ New Class**, choose teacher, level, time and seats.
2. Enroll students (open or invite-only).
3. Attendance and credits are handled per student.

💡 Group classes = more students per teacher hour.

Bookings

Sidebar > Classes

WHAT IT DOES

Book a 1-to-1 class: pick teacher, student, title, duration and time. The teacher accepts it and it appears in both dashboards. Supports recurring weekly classes and free trial lessons.

HOW TO USE IT

✦ WHAT IT DOES

Because managed students don't log in, the teacher confirms attendance — and you can send the parent a quick "Did your child attend?" link. Disagreements open a dispute automatically.

👉 HOW TO USE IT

1. Open **Needs attention**.
2. Press **New link** and send it to the parent (WhatsApp, Zalo, SMS...).
3. Parent answers Yes/No — no reply in 4 days means the class stands.

💡 This is your proof for every class — fair to parents and teachers. ⚖️
